Cultural operator(s)

Name	International Folk Dance Festival JOC
Short description	International Folk Dance Festival JOC, is an international Event with the scope to strengthen the communities of popular professional dances focused on folklore, which reflects the traditions and culture. Traditions are reflected through customs or cultural aspect such as dance, costume, music, theatrical element, but the main element will be dance. We are interested to give the opportunities for more changes of experience and we have to enrich the knowledge of European countries and not only, about diversity and the huge continental folklore heritage.
