EU Grants: Call document Creative Europe - Culture sub-programme: V1.0 - 27.02.2020

#### 1. Background

#### Creative Europe: the programme

With a total budget of 1.46 billion EUR, "Creative Europe" brings together actions supporting the European cultural and creative sectors for the period 2014-2020.

The Programme has two general policy objectives: safeguard and promote cultural and linguistic diversity and Europe's cultural heritage and strengthen the competitiveness of the European cultural and creative sectors. This is pursued through specific objectives, namely: supporting the capacity of these sectors to operate transnationally; promoting the transnational circulation and mobility of cultural and creative works and artists to reach out new audiences; strengthening the financial capacity of cultural and creative SMEs and organisations; and supporting transnational policy cooperation to foster policy development, innovation, creativity, audience development and new business models. It consists of two Sub-programmes - the MEDIA sub-programme supporting the audiovisual sector and the Culture sub-programme supporting the cultural and creative stakeholders other than audiovisual - and a Cross-sectoral strand supporting cross-sectoral activities, the Guarantee Facility, and the Creative Europe Desks.

The general and specific objectives of the Programme take into account the double – societal and economic – contribution of cultural and creative sectors. The cultural and creative sectors occupy a significant part in the digital economy and the EU economy at large (up to 4, 5% of EU GDP) and are providers of quality jobs (8 million jobs), especially for young people. At the same time, through the content they produce and the audiences they attract, cultural and creative sectors are vectors of diversity; they have a positive influence on social inclusion and help promote European values within the EU and beyond EU borders.

## 2. Objectives — Themes & priorities — Activities that can be funded — Expected impact

#### **Objectives**

- **Supporting** cultural and linguistic diversity in the EU and in countries participating in the Culture Sub-programme

- Encouraging the appropriate use of digital technologies in both the distribution and promotion of the works
- Encouraging the translation and promotion of books which have won the EU Prize for Literature<sup>7</sup>

<sup>&</sup>lt;sup>6</sup> Lesser used languages include all the languages officially recognised in participating countries, except English, German, French and Spanish (Castilian);

The minimum number of applicants is 1.

Applications by single applicants are allowed.

#### **Activities**

Eligible activities are the ones set out in section 2 above.

Projects must have a transnational dimension. They must consist in the translation, publication, distribution and promotion of a package of 3 to 10 eligible works of fiction from and into eligible languages, based on a sound and defined editorial strategy.

See Article 187 EU Financial Regulation 2018/1046.

EU Grants: Call document Creative Europe - Culture sub-programme: V1.0 - 27.02.2020

Activities can include special events and marketing/distribution activities organised for the promotion of the translated works of fiction in the EU and outside the EU, including digital promotion tools and promotion of authors at book fairs and literary festivals.

As a complement to the package, projects can also include the partial translation (translation of excerpts of works of fiction) from the catalogues of the applicant(s) to help foster the selling of rights either within Europe or beyond.

Financial support to third parties is not allowed.

#### **Languages**

Projects have to comply with the following requirements concerning languages:

- The source language and target language must be "officially recognised languages" of the countries taking part in the Culture sub-programme. "Officially recognised languages" are those defined by the Constitution or the relevant national law of the respective country.
- The target language must be the translator's mother tongue (except in cases of less frequently spoken languages if the publisher provides sufficient explanation).

In addition, in order to facilitate the circulation of works from or to EU/EFTA countries:

 The source language or the target language must be a language officially recognised in one EU Member State or in an EFTA/EEA country - Translation of works between non-EU/EFTA countries is not eliqible.

Translations must have a cross-border dimension; hence, the translation of national literature from one official language into another official language of the same country is not eligible<sup>9</sup>.

Translations out of Latin and ancient Greek into officially recognised languages are eligible.

#### **Works**

Projects have to comply with the following requirements concerning the original literary works (as a source):

- Works in paper, or digital format (e-books) and audiobooks are both eligible.
- The works to be translated and promoted must be works of fiction with a high literary value, irrespective of their literary genre, such as novels, short stories, plays, poetry, comic books and children's fiction.
- Non-fiction works are not eligible, such as autobiographies, biographies, or essays without fictional elements; tourist guides; human sciences works (such as history, philosophy, economy, etc.) and works related to other sciences (such as physics, mathematics, etc.).
- The works must have been previously published.
- The works must be written by authors who are nationals of, or residents in, an eligible country with the exception of works written in Latin or ancient Greek.
- The works must not have been previously translated into the target language, unless a new translation corresponds to a clearly assessed need. In this case, applicants must explain the expected impact on new readers and provide a convincing explanation of the need for a new translation into the specific target language.

#### **Duration**

Projects may not be longer than 24 months.

 $<sup>^{9}</sup>$  If there is no distribution strategy outside the country in question.

EU Grants: Call document Creative Europe - Culture sub-programme: V1.0 - 27.02.2020

Activities may not start before the date of signature of the grant agreement (or notification of the grant decision).
